PROFILE SUMMARY

Procurement professional with 12+ years of experience in hotel and hospitality procurement in the UAE, covering F&B, non-F&B, engineering & landscape and logistics purchasing. Certified Purchasing Professional with hands-on experience in supplier sourcing, negotiation, contract management and renewals, purchasing budgets and cost control, and supervising the end-to-end purchasing process. Experienced in aligning purchases with end-user and technical requirements, and in delivering high-volume, high-profile event procurement, including EXPO 2020 Dubai (approx. 20,000 meals per day) and COP28 UAE (VVIP President's Pavilion). Skilled in ERP-based procurement (Microsoft Dynamics, SAP) and currently reading for an MBA. Focused on efficiency, cost savings and value-driven sourcing aligned with hospitality standards.

WORK EXPERIENCE

Procurement Specialist 2025 – Present

Al Jawaher (Government) Group Hospitality | Sharjah

- Manage F&B and non-F&B procurement, including vendor sourcing and cost control.
- Handle contract management, covering supplier negotiations and contract renewals.
- Use Microsoft Dynamics ERP to support daily procurement and coordination.

Procurement Executive (Engineering & Landscape) 2022 – 2025

ERTH | Abu Dhabi

- Procured materials for engineering and landscaping projects.
- Aligned purchases with technical specifications and project requirements to meet end-user needs.
- Negotiated pricing and delivery terms with suppliers.
- Monitored inventory and ensured on-time supply.
- Maintained compliance with safety and quality standards.

Procurement Officer (F&B) 2019 – 2022

ERTH | Abu Dhabi

- Estimated and established cost parameters and purchasing budgets.
- Made strategic purchasing decisions in a fast-paced environment.
- Sourced new suppliers and negotiated pricing and contract terms.
- Supervised the end-to-end purchasing process.

Procurement Officer (Logistics) 2014 – 2019

ERTH | Abu Dhabi

- Estimated and established cost parameters and purchasing budgets.
- Worked collaboratively with team members and the Procurement Manager to execute procurement duties.
- Sourced new suppliers and negotiated pricing and contract terms.

KEY EVENT PROCUREMENT

EXPO 2020 Dubai 2020 – 2021

- Played a key role in procurement operations, managing the food and beverage supply for the workforce – approximately 20,000 meals per day.
- Oversaw F&B procurement and service delivery for both the UAE and Pakistan Pavilions.
- Ensured high standards, cost efficiency and timely vendor coordination throughout the event.

COP28 UAE 2023

- Entrusted with managing food and beverage procurement for the President's Pavilion, ensuring VVIP-level service.
- Coordinated with premium suppliers, maintaining high-quality standards under tight schedules and strict protocol.
