PROFILE SUMMARY

Procurement professional with 12+ years of experience in hotel and hospitality procurement in the UAE, covering F&B, non-F&B, engineering & landscape and logistics purchasing. Certified Purchasing Professional and MBA graduate (Anglia Ruskin University, UK) who progressed through three roles over 11 years at ERTH – taking on growing responsibility for supervising and training buyers – and now leads a procurement team at Al Jawaher. Hands-on experience running RFQs and RFPs, negotiating on a Total Cost of Ownership basis, and managing vendor contracts and supplier performance through KPIs. Delivered consistent monthly cost reductions of around 3–5% and savings of approx. AED 600,000 on a single project. Experienced in hotel pre-opening and FF&E procurement – including the rebranding of the Armed Forces Officers Club to ERTH Abu Dhabi (2018) and École Ducasse (2021) – and in high-volume, high-profile event procurement, including EXPO 2020 Dubai (approx. 20,000 meals per day) and COP28 UAE (VVIP President's Pavilion). Skilled in ERP-based procurement (Microsoft Dynamics, SAP), SOP development and training end users on the procure-to-pay process.

KEY ACHIEVEMENTS

- Approx. AED 600,000 in savings** on the ERTH Abu Dhabi Ramadan Project (2019).
- Monthly cost reductions of around 3–5%** achieved consistently during tenure at ERTH.
- Managed F&B supply of approx. 20,000 meals per day** for the EXPO 2020 Dubai workforce.
- Led VVIP-level F&B procurement** for the President's Pavilion at COP28 UAE.

PRE-OPENING & FF&E PROJECTS

Rebranding of Armed Forces Officers Club to ERTH Abu Dhabi	2018
École Ducasse School	2021
- Procured FF&E (furniture, fixtures & equipment) for pre-opening, covering guest rooms and restaurants. - Sourced and procured central kitchen and restaurant equipment. - Procured the wider items and supplies needed to be ready for opening.	

KEY PROCUREMENT RESPONSIBILITIES

- Prepared and issued quotation requests (RFQs) and RFPs, and evaluated supplier proposals to obtain the most competitive offers.
- Negotiated with suppliers and evaluated offers on a Total Cost of Ownership (TCO) basis, not unit price alone.
- Tracked supplier performance and created, maintained and reported on procurement KPIs, using reports to support decision-making.
- Developed and updated departmental procurement SOPs, and recommended system and process improvements.
- Trained end users on the procure-to-pay process, including raising purchase requisitions in the ERP (Microsoft Dynamics / SAP).
